**SUBJECT:** USIB Policy Statement Concerning Counterintelligence  
and Security Responsibilities

**REFERENCE:** USIB-D-1.5124

1. On 18 July 1962 the United States Intelligence Board approved the attached "Policy Statement Concerning Counterintelligence and Security Responsibilities." Although a considerable portion of this statement concerns installations and personnel overseas, the statement itself is so important and fundamental to all security practices that I believe it should be required reading on the part of all supervisors in the Agency from the branch level up. I believe that you will find that it is a statement which is both clear and concise and should impart in our supervisors a better understanding of why certain security practices are in existence.

2. It is requested that each of you insure that all supervisory personnel through the level of Branch Chief read this document. Further implementing instructions will be issued at a later date.

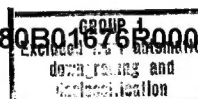

3. Copies of reference document are available from USIB Secretariat.25X1
